◆Musashino International Association (MIA)◆

MIA is engaged in various programs as the organization in charge of citizen-driven international exchange and supporting foreign residents in the community, based on 3 main pillars: daily life support, communication support, and developing *Tabunka Kyosei* (multicultural) society. MIA aims at open society where everyone of us respects various cultures and values with one another, and people with different cultural backgrounds can live together with peace of mind.
