

# Let's be actively involved in MIA! Let's make good use of MIA!

## Musashino International Association

MIA's aim is to create a community – a safe and peaceful haven, where everyone can be actively involved and one which will set an example for worldwide peace and amity. With this purpose in mind, we at MIA hope to gather the ideas and strength of people from various cultures and build a multicultural society that would effectively sustain our foreign residents.

### Make good use of MIA's Website

There is plenty of information on Events, Volunteer activities etc. that can be accessed on your smart phone too.

# What you can do at MIA

Point

01

## For foreigners who want to learn Japanese

Japanese Courses

Study Support for Foreign Pupils

Japanese language classes are held for adult foreign residents. Volunteers are available to take care of young children while their parents are attending classes. Also there are Japanese language classes for elementary and junior high school students. We also have volunteers to assist public school students with their Japanese language lessons and help them with their homework too.

## For foreigners who need consultation

Consultation

We will help you locate information or find answers to your queries pertaining to your day-to-day issues. Consultation with lawyers regarding various legal issues, marriage, divorce, residential status, work place problems etc. and consultations with psychologists for counselling on problems like stress, anxiety and sleeplessness are arranged by/at MIA. Volunteers are available for interpretation during consultation. Consultations are held on the 4th Saturday of each month. Please make a reservation.

## Would you like to support as a Volunteer?

Foreigners / Japanese

There are Japanese language volunteer (Nihongo Koryu-in) activities to interact with / support people who are participating in Japanese language classes, and volunteer activities to accept home visits from international students. There are also volunteer group activities that support events where foreigners serve as instructors. To begin with, please attend briefing sessions and participate in group meetings. Also, foreigners can volunteer to hold lectures to introduce their hometowns and home cooking.

## Would you like to experience various cultures firsthand?

Foreigners / Japanese

MIA facilitates foreign residents to organize lectures and courses introducing their culture, heritage, handicrafts, and home cooking. There are courses for adults and courses in which parents can participate along with their children (5 years old ~ elementary school going children). Information regarding the above courses is available in MIA's bulletin - 'Musashino FRIENDs' and its official website, and also the Musashino City Newsletter. Applications are welcome through any of the above sources.
