

Foreign Speakers  
Wanted !!

# Japanese Speech Showcase

1. I finalized my speech with my supporter! I also tried to write its title in Japanese traditional style!!

2. I was nervous in the rehearsal, but I became OK having communication with kind staff and participants..

3. As it was my first experience to speak in front of big audience, I was a bit nervous. But I was so happy to be encouraged by them!

4. I was relieved after giving my speech! They say my Japanese improved a lot! It motivates me to speak more in Japanese!!

Previous topic examples:

- I was surprised to find the “real” Japan; which is different from what I heard of in my home country!
- Because I am not accustomed to Japanese culture and language at all, I am struggling daily with bringing up my children in Japan!
- Why do they dispose of the edible parts of food in Japan? I will let you know the way to cook them into delicious dish!
- I would like to introduce everyone to my beloved family living far away from me!!

***Your speech will help the audience find a new point of view. So please present your honest ideas! A volunteer member will assist you in organizing your speech in Japanese, so don't worry about your level of Japanese.***
