

What is Musashino International Association (MIA)?

MIA is engaged in various programs as the organization in charge of citizen-driven international exchange and supporting foreign residents in the community, based on 3 main pillars: **Support for foreign residents to live comfortably in the community, communication support, and developing Tabunka Kyosei (multicultural) society.**

MIA aims at open society where everyone of us respects various cultures and values with one another, and people with different cultural backgrounds can live together with peace of mind.

What kind of activities are available at MIA?

Support in the Community

We support foreign nationals according to their circumstances.

Support for learning Japanese

Promotion of foreign students' social participation

Consultation with experts (Law/psychology)

Communication support

We provide necessary information for daily life in multiple languages.

FM radio programs (4 Languages)
